Learn to Golf

AGES 5-14

Our Friday Learn to Golf program provides a fun and innovated experience for your junior to come and learn about the fundamentals of the golf swing and the joys of playing golf with friends and family.

Learn to Golf Participants:

- This program consists of 4 x 75-minute sessions learning about the fundamental movements of the golf swing in various fun activities. We believe having 6 students to 1 coach will allow more one on one interactions and provide the best way for our students to grow and develop their games. **This program is limited to 12 students.**

- There will be 3 x 9 Holes sessions available as well. This will allow the juniors to take what they have learned and apply it on the course in a fun 2 junior scramble.

- Clubs are not provided. Parents and/or Guardians must provide a set for their junior – If you wish to purchase clubs please contact PGA of Canada Coach Chris Peixoto for details.

Program Times:

Learn to Golf nights are on Fridays from 5:30pm – 6:45pm.
Please arrive no more than 10 minutes before each session.
