Membership Terms and Conditions

Membership Guidelines

The applicant's signature on the membership contract indicates agreement to comply with the terms and conditions as set out in the "Membership Terms & Conditions"

All membership fees must be paid in full prior to being granted any membership privileges. Membership allows members of Ingersoll Golf Club (IGC) to use its facilities upon payment of applicable annual dues and is subject to the Rules and Regulations of the club.

Membership includes playing privileges on a seasonal basis at IGC. Members have access to the online booking system which allows (14) days of advance booking. When necessary, these booking terms can be modified at the discretion of the staff. Members will have the opportunity to participate in club-organized golf and social events, in accordance with associated event fees. Membership does not include entry in any tournament or league play at IGC.

IGC and the owners reserve the right, from time to time, to amend the terms of membership, or make any other changes in the terms and conditions set forth in this Membership Terms and Conditions.

A seasonal membership allows the applicant to utilize the golf course facilities from the date of official opening to the date of official closing as established by management.

Golf Club Management

The management of IGC shall be free to modify the features of the facilities, including but not limited to the relocation of operations, the implementation or cessation of services, or such other adjustments or changes as management, at its discretion, deems appropriate.

The golf club is administered by the management of the IGC. Management is free to run the club in accordance with its discretion. A membership at IGC provides the member with certain privileges to use but does not grant the member any ownership interest in the golf club, or any input into the management of the golf club. Acceptance as a member does not entitle a member to confer upon the member, any investment, ownership, or equitable interest in IGC or any of its assets. IGC has the sole and absolute right and discretion to operate, maintain, repair, modify, expand, sell, finance, dispose, lease, license or otherwise deal with the IGC or any of its facilities as it sees fit.

The management of IGC shall have the authority to expel or suspend any member who; commits a breach of the "Membership Terms and Conditions" or whose conduct, IGC, shall have determined to be improper, unbecoming, or likely to endanger the interests or reputation of the club. IGC may suspend some or all privileges associated with a membership and/or, after notice, cancel a membership for failure to pay in a proper and timely manner any dues, fees or any other amounts owed to IGC.

Employee Relations

All IGC employees will be treated with respect and courtesy. Members and guests may not abuse any employee verbally or otherwise. IGC does not condone or tolerate sexual harassment of any kind. Sexual harassment includes any conduct, comment, gesture or contact of a sexual nature that is likely to cause offence, humiliation or that is known or ought reasonably to be known to be unwelcome. Although the member or guest may not perceive their comments or actions to be discriminatory or unwelcome because the employee did not communicate their discomfort, due to the employee-customer relationship they may not feel comfortable expressing this. IGC will make every reasonable effort to ensure that no employee is subjected to sexual harassment. Any member who is found to be mistreating an IGC employee may have his or her playing privileges suspended or terminated.

Suggestions and Feedback

Suggestions or feedback regarding other members, employees or club operations must be submitted to the management staff or the Director of Operations. In this regard - comments that are rude and/or take the form of staff abuse will not be tolerated.

Golf Course and Property Availability

IGC reserves the right to host events and golf tournaments. Such events may partially or completely restrict the availability of golf course tee times and any/or all Golf Club facilities, including, but not limited to use of the clubhouse, practice range, and the golf course itself.

Golf Course conditions and setup

IGC reserves the right to close the course for required maintenance as determined at the discretion of management.

IGC shall have no liability for the temporary suspension of any privilege due to maintenance, repair, construction, improvements, acts of God, inclement weather, utility disruptions, or any and all other matters beyond the control of the Golf Club.

The management and staff are responsible for course conditioning and setup including but not limited to: Placement of pins, placement of tee blocks, marking of course rules and regulations, etc. Members are not to interfere with golf course setup – If a member has feedback regarding the course, please contact the General Manager or Superintendent directly.

Tee times and Booking Policies

Each member is responsible for booking and cancelling their own tee times. The Pro Shop staff will assist with bookings and will answer further questions regarding the process for doing so. Members are not

entitled to have the Pro Shop staff book times in groupings for them. While the Pro Shop staff will strive to assist with all bookings each member is ultimately responsible for their individual bookings.

Tee time cancellations should take place a minimum of 24 hours in advance of scheduled play. At the Pro Shop staff's discretion, no-shows will be warned and then potentially charged for missed tee times.

Weekday Memberships

Any member who purchases a weekday membership is not entitled to playing on Saturdays and Sundays, without paying a full green fee rate that is applicable to date of play. No exceptions will be made to this policy, and member accounts will be charged accordingly.

Rules of Play

- All players must register at the Pro Shop prior to your tee time.
- Players must start on the 1st tee unless given permission from the Pro Shop.
- Marshalls have full authority to control play.
- Incomplete foursomes will be filled whenever possible. This may include booking public players to play with member booked times.
- Failure to cancel a reserved tee time within 24 hours may result in warnings and then suspension of membership privileges.
- There is no guarantee of tee time availability.
- Members are not allowed to use the course when it is closed.

Golf Etiquette

- Time par for IGC is 4 hours and 18 minutes.
- Players should play without delay and always follow right behind the group ahead. To help overcome slow play, members and guests are asked to consider the following points:
 - Four-ball games are recommended during periods of heavy play. The IGC staff will group players into four-ball games at our discretion.
 - Prepare for your shot as you approach your ball on the tee and always be ready to play when it is your turn.
 - Please practice continuous putting.
 - When you have completed a hole, pick up your ball and proceed to the next tee as quickly as possible.

Always be considerate of fellow golfers. Players failing to maintain the pace of play, by looking for a ball or by dropping back more than one clear hole from those in front, must wave the following group through if they are not on time par.

Play will be monitored throughout the season and action will be taken as considered necessary. The Course Assistants have guidelines to govern the pace of play and will take reasonable actions to correct any problems including asking a group to pick up their balls and move ahead until they are maintaining pace directly behind the group in front of them.

All players are reminded to repair all ball marks on greens, rake bunkers and replace divots. Power carts must not be driven closer than thirty feet or as otherwise marked from all greens and tees.

Use of Golf Carts

Golf carts are to be driven in accordance with applicable cart restrictions at all times, and otherwise in a safe and controlled manner. Inclement weather or other conditions may evoke further cart restrictions. The staff will notify players of any temporary restrictions, but players are expected to refrain from driving golf carts where it may damage the golf course. Privately owned golf carts are not allowed. No more than two carts per foursome are allowed. No more than two riders and two golf bags per cart. Golfers are not to stand on the bag storage area to ride to the next stop.

- Single ride fees are per person (rider)
- All cart riders must pay for their “seat”. Failure to pay for the “seat” may result in loss of playing privileges for both the cart renter and non-paying rider. At the Pro Shop staff’s discretion, the additional unpaid “seat” will be charged.
- All carts are to follow on course signage and/or starter instructions.
- The club reserves the right to always pair up players on carts. Carts can be reserved in advance with the tee time reservation subject to availability.

Seasonal Cart Program

The price paid for the Seasonal Cart Program, as applicable, covers the listed member for cart use as a single rider. If your group includes two golfers with cart privileges, you must ride together. A maximum of two carts are permitted in any group. The Seasonal Cart Program is non-transferable. You must notify the pro shop of any person or person’s equipment riding with you during a round. Those not obeying this rule will be warned and then could potentially lose their Seasonal Cart Program privileges without refund. The price paid covers you for the 2025 golf season, from course opening to course closing or October 31, 2025 – Whichever comes first. You may use a golf cart for as many rounds as you like during the season, but you will not receive a refund if you have failed to fully utilize your Seasonal Cart Program. The season cart pass does not entitle you to use a cart for practice sessions or spectator purposes. You acknowledge that there are certain risks of physical injury and agree to assume all risk of injury with respect to persons or property which you, or any other person operating the golf cart rented under this agreement, may sustain or cause. You agree to reimburse IGC for all charges resulting from damages to the cart or other property caused by the golf cart rented under this agreement, except for ordinary wear and tear to the golf cart itself. Such reimbursements shall be paid on the credit card account that you have provided to the golf club. You hereby irrevocably authorize IGC to charge your

credit card an amount that it believes is sufficient to repair all such damages. You understand and acknowledge that a person must be 18 years of age or older with a valid driver's license to operate a golf cart.
